Our School And The Evaluation.

On January 21, 22, 23 a team of evaluators visited Mt. Carmel Area High School to re-evaluate our school for accredited membership in the Middle-States Association of Colleges and Secondary schools. The team consisted of Kenneth Rounds, superintendent of Towanda Area Schools, team chairman; James Mcinapura, principal of Emerson High School, Emerson, N.J.; assistant chairman and eleven others. M.C.A.H.S. was first accredited in 1948 and again in 1958. To maintain membership in the association, a re-evaluation is required every 10 years. Our school received a two year extension on its accredition because of the possibility of a new school. Since construction has not yet started it was necessary for our school to be re-evaluated.

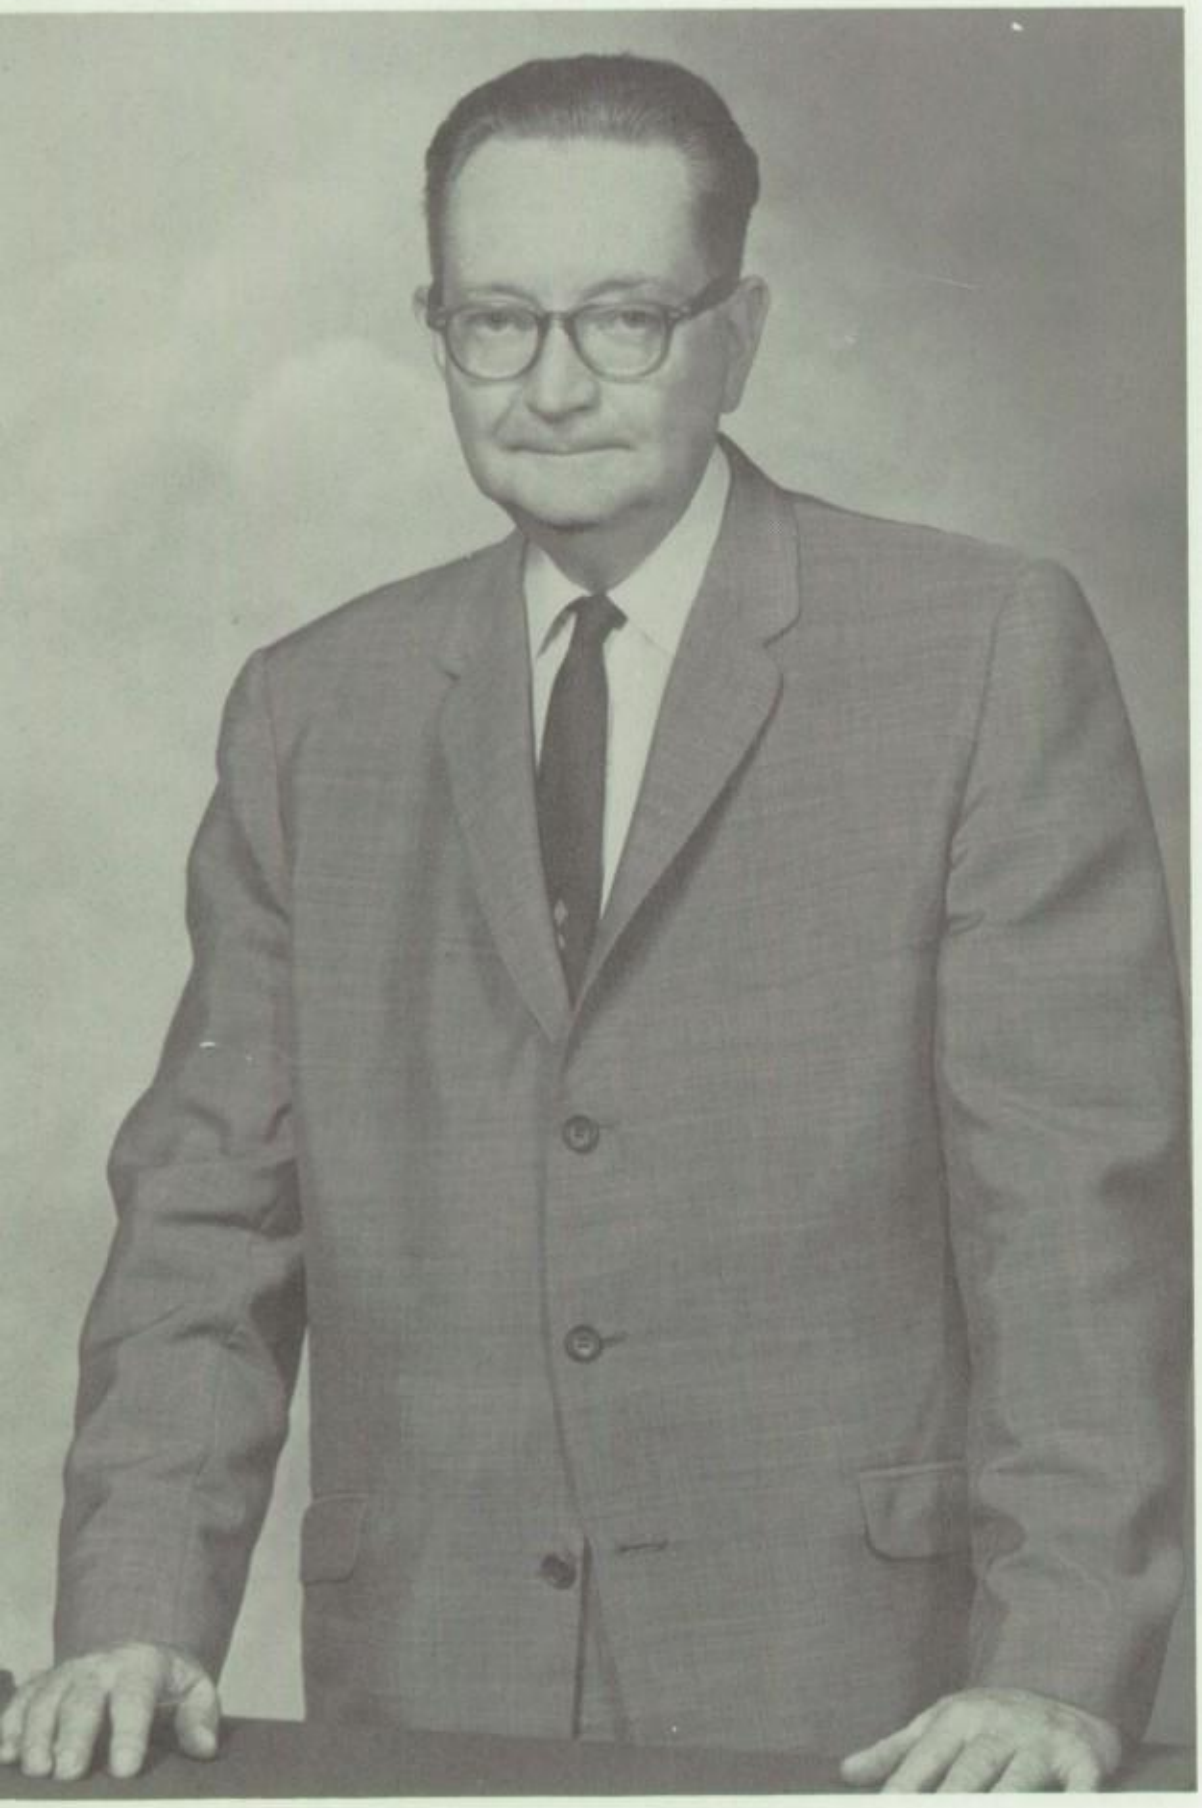
To A Dedicated Man . . .

Vincent W. McHail



As we, the class of '69, leave, Mr. McHail, we give to you a fond farewell, a loving treasure of memories, and above all, a promise to praise God for you!

It is the dream of every student and teacher to be associated with a principal like our incomparable Mr. McHail.

In our estimation, he deserves top billing!

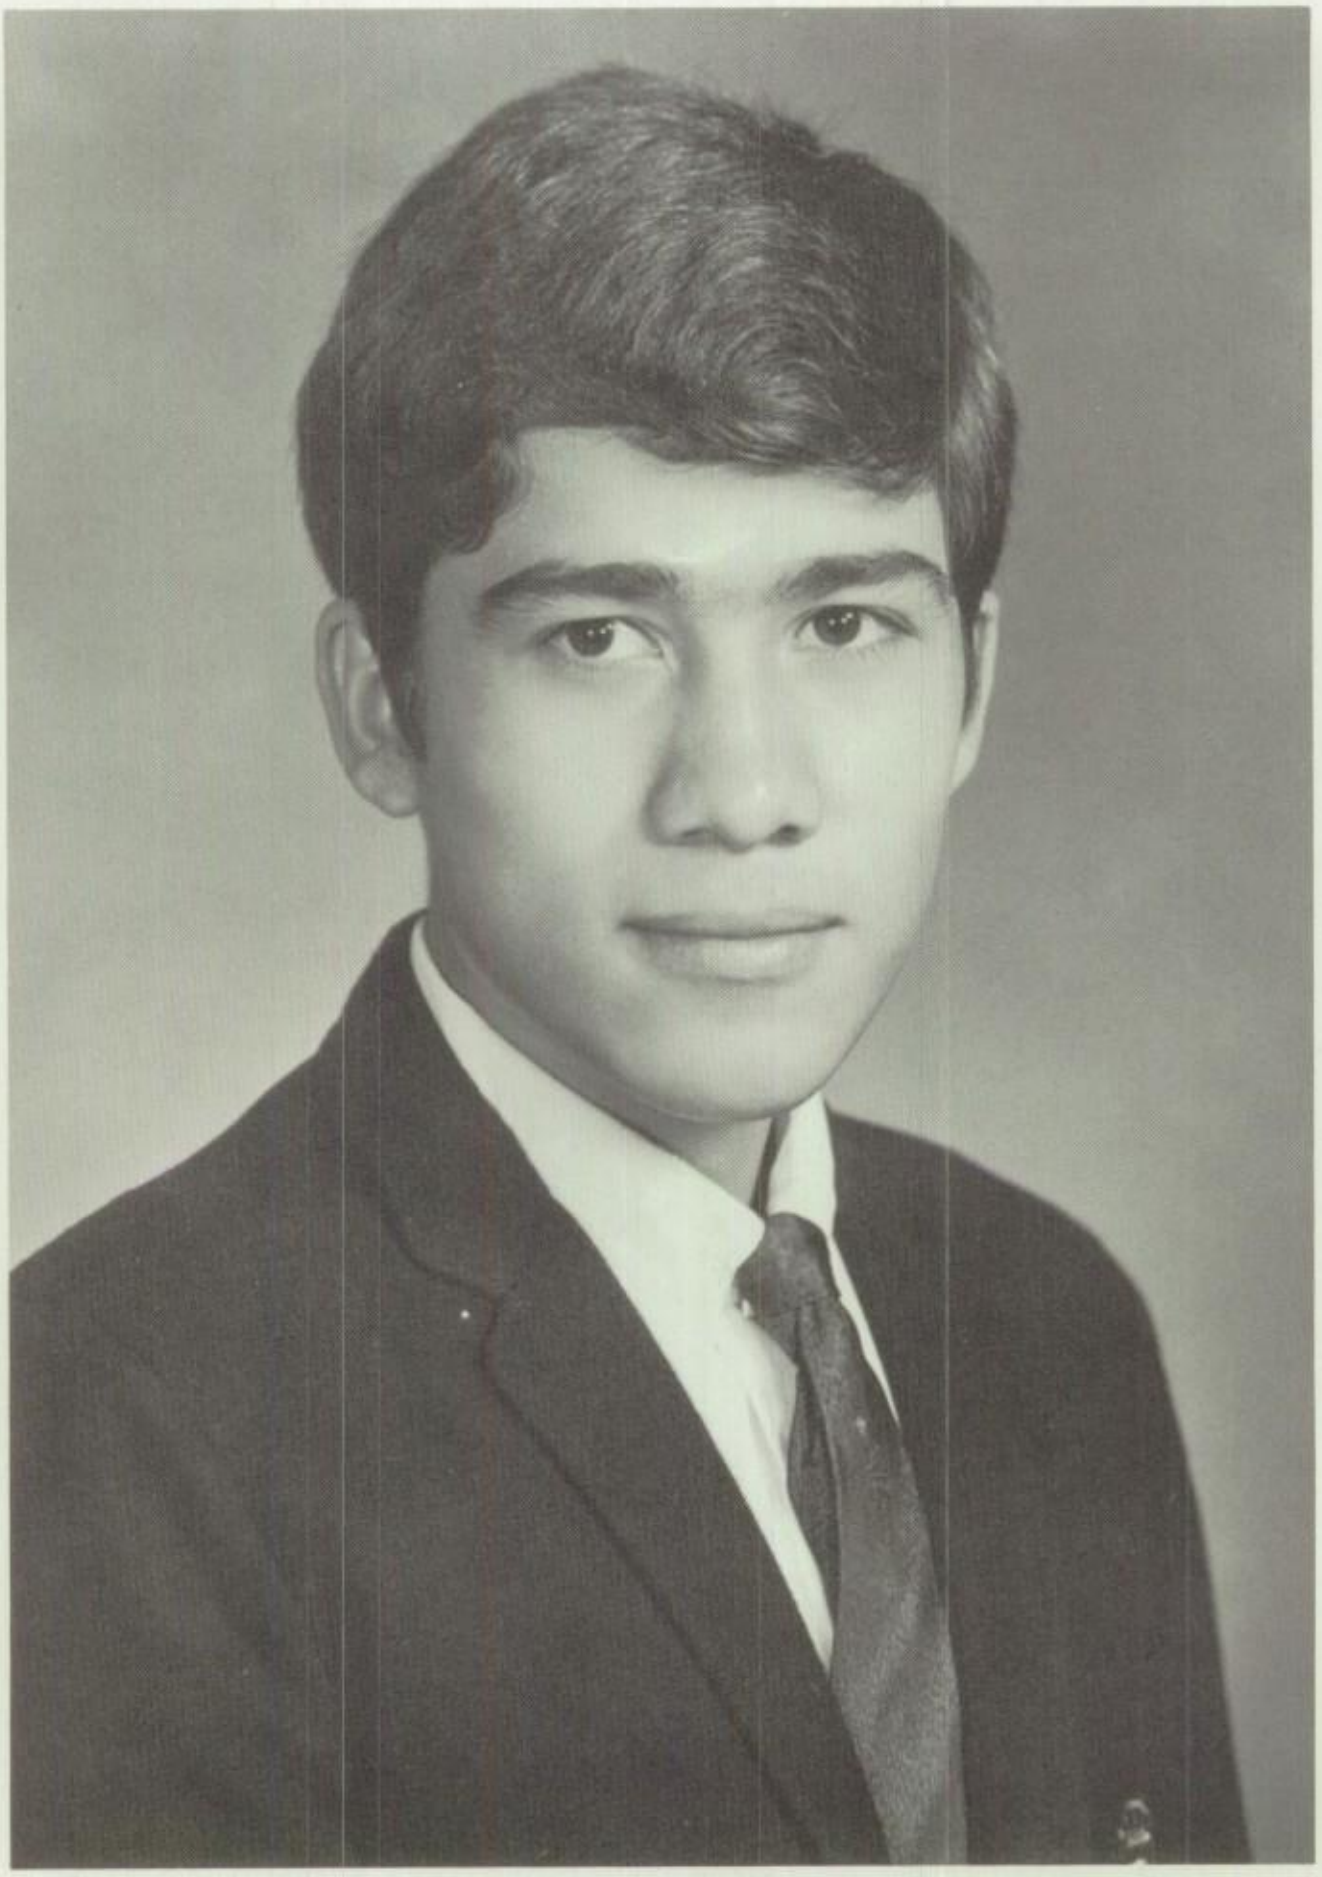
None among the faculty is so greatly admired and adored, so respected and revered, as our own beloved principal. He has endeared himself to all by his tireless efforts to promote the welfare of our school scholastically, socially, and athletically, and to bring contentment, school spirit, and inspiration into our school life. His acute alertness and awareness, his keen intelligence and integrity, his kindly tact and tolerance, plus his infinite patience, are but a few of the fine qualities which Mr. McHail displays. His virtues are many; his faults are few. He is goodness personified.

To understand student moods with a wry smile, a shy look, to put up with student failings with a word of encouragement and thoughtful advice, requires a man of a special talent. A great man is he and such a man, Mr. McHail will always be!

We shall not forget but long remember the quiet manner and gentle ways in which he has helped us to grow mentally and physically. For this and countless other kindnesses, Mr. McHail, may we express a humble "thank you." Your inspiration and dedication make you a credit to your noble profession.

Therefore, it is with high regard and deep sincerity that we, the class of '69, dedicate this yearbook to you, Mr. McHail, as a token of our esteem and heartfelt gratitude.

Our Students From Other Lands



Raul Marcias

Mexico's first contribution to our Rotary Student Exchange Program, Raul Macias, arrived in Mount Carmel on Friday, September 5, 1968.

Raul came here, unable to speak English, but his warm smile, friendliness and desire to learn, soon had him conversing with fellow students.

Coming from a city of 110,000 persons in the Mexican state of Guanajuato, Raul was most impressed by the friendliness of the Mount Carmel people. He said that Mexican students do not have as much extra-curricular activity as we have, but that our students exhibit a much greater spirit or loyalty to their schools.

Raul is interested in engineering as a career. He plans to complete his secondary schooling upon his return to Mexico, and then enter the University of Mexico to obtain his degree.

We extend best wishes to our colleague and friend from below the border in all his future endeavors.

Shobha Pai

Our latest addition to our international family at M.C.A.H.S. is Miss T. Shobha Pai. Shobha arrived in Mount Carmel on Sept 3, 1968 after a trip from India via England. Her home town is Manipal, a small but new community, which is only three miles from the Arabian Sea. Manipal is a university town which contains many educational facilities. Among these are a medical school, school of engineering, college of dental surgery as well as a hospital. There are also several small scale industries which include tile manufacturing, printing and pharmaceutical products.

Shobha is the eldest daughter in a family of two boys and two girls. Her father is a business man and has travelled quite extensively. Her mother is a housewife and is also engaged in social work.

Shobha says that she is thoroughly enjoying her stay in Mt. Carmel, and enjoys answering questions about her country and its customs. We sincerely wish the best of luck to her and hope that her visit to M.C.A.H.S. has been a meaningful experience.

Centralia became a member of the Jointure in 1963. Kulpmont and Marion Heights became Jointure Members in June 1964.

On August 31, 1964, Mount Carmel Area Senior High School housed the eleventh and twelfth grades; Roosevelt Area High School ninth and tenth. Franklin D. Roosevelt Area Junior High School in Kulpmont, seventh and eighth grades. and eighth grades.

In July 1964, the name of the high school was changed to the Mount Carmel Area Senior High School. On July 1, 1965 under advanced establishment, the area school board of nine members became the official governing body.

Life With Class Of 1969

The class of '69 leaves behind a history in which each member can take great pride. As sophomores we conducted a most successful card campaign under the direction of Mr. Fred Dallabrida. In our junior year we were again successful, this time in our magazine campaign which was headed by Miss Sandra Edwards. That year we financed the junior-senior prom in Feifer's Hall with the theme of a Roman festival. This year has been an exceptional one for our class. Not only were great achievements made academically, but also in the field of athletics. The most impressive of these achievements was our attaining the title of Southern Division Champions in football. The Christmas pageant, "A Christmas For Eddie Brown"; the operetta, "A Barefoot Boy with Cheek"; and the Senior prom end our story.

Class Song

Tune: "You'll Never Walk Alone"
Words: Linda Tomol

As we walk through the doors of Mt. Carmel High
And bid farewell to our friends,
We think of so many memories
And we wish to relive them again.
But we must go on,
Our school days are gone,
We must face the world outside.
We'll think of you,
Though school days are through.
Our dear Mount Carmel High
We bid you good-bye.

Colors: Mint green and white

A Tribute To Mrs. John Shields . . .

Mrs. Eleanore Shields — "Pro Ecclesia et Pontifice" Medalist

Mrs. Shields, teacher in the Social Studies and English departments, has been active in community and church organizations since 1948. Her particular interest has been the development of leadership in girls and women. From 1964 to 1968, she was a member of the Board of Directors of the National Council of Catholic Women, which directs ten million women in programs of education and leadership. In 1966, she was elected president of NCCW, and in 1967, was designated co-president of the Third World Congress of the Apostolate of the Laity, an international congress with three thousand participants meeting in Rome, Italy. Mrs. Shields' term as president of NCCW concluded in 1968. For the leadership which she has exemplified, she was awarded the medal "Pro Ecclesia et Pontifice" by Pope Paul VI. Immaculata College, at the Honors Convocation in November, 1968, presented a citation, a first time award to a distinguished alumnae, to Mrs. Shields.
